

**Finding an AIDS vaccine takes
innovative research, advanced technology, money
and about 125 cyclists with big hearts.**

How Big Is Your Heart?

We're riding 425 miles over 5 days
From Montreal, Quebec to Portland, Maine
To raise awareness and money to benefit

Emory Vaccine Center and the **UCLA AIDS Institute.**

100% of the money raised goes directly to them so they can continue
to research new and innovative ideas to find a vaccine for HIV/AIDS.

AIDS VACCINE BIKE TREK
