

**36.7 million people are living with  
HIV/AIDS in the world today,  
with 5,750 new infections  
occurring each day.**

**How can you help? Get on a bike.**

We're riding from Burlington, VT to Portland, ME to benefit the  
**Emory Vaccine Center** and the **UCLA AIDS Institute**.  
100% of funds raised will be given to them so they can continue to  
research new and innovative ideas to find a vaccine for HIV/AIDS.

Riders, crew and volunteers are needed. Want to know more?
